"The CIX Top 20 Program had a record number of applications this year, with a high proportion of early-stage companies with less than \$100k in revenue," said Lauren Linton, Executive Director of CIX. "It is exciting to see so many young tech companies with such great potential to contribute to Canada's success as a global innovation leader."

The CEO of each CIX Top 20 company will present at CIX 2017 on Oct 17-18 and share their story and unique innovation to a crowd of over 750 investors and peers in the North American technology
